Working Group 2 – Inaugural Conference Call

## WELCOME TO OUR FIRST NEWSLETTER

Last week we launched the APSCA website and LinkedIn Page.

This week we announce working sessions to be held in New York 1-2 November.

## NOVEMBER ROUND TABLE DISCUSSIONS

We are pleased to invite you to join APSCA for different working sessions. During these sessions you will have an opportunity to hear directly from the working groups on their progress thus far and participate in discussions, providing feedback to help shape future work. There will also be an opportunity to meet the newly elected Executive Board and hear from the working groups on the outcome of the 3 working sessions.

### 1 and 2 November - Working Group Round Table

Discussion with members of the working groups to support the shaping of audit definition, auditor competency and audit firm requirements.

**3 November** - Meet the newly elected Executive Board for an open session to hear about overall progress, short and longer term goals, as well as the learnings from the round table discussions.

Please visit the APSCA Website (<http://www.theapsca.org/working-sessions.html>) to express your interest in joining the discussion. We are in the process of securing a venue and your expression of interest will greatly help with the planning.

The location will be within the Times Square/ Grand Central Station area of New York.
